The Premises:

Usual place, can be busy so watch your entrance & exit on a Friday! I was led out the back due to a busy front entrance!

The Lady:

Young shapely sixth-former type, petite, nicely thin, long dark hair, small pert boobs, lovely flat stomach.

The Story:

A silent start was dominated by preparation on the bedside table.

Then once I had taken her in for an opening cuddle there was a concerted refusal of any mouth contact and it seemed that there was also a reluctance for anything physical! (Reminding me of the coldness I get at home)!!

Strange, icy-groping began, and I sensed that a combination of Jules' shyness, the huge age-difference and tbh Jules' lack of enthusiasm would lead to a difficult session. I was right.

Refusing to do OWO, J struggled through OW and clumsy spoons, I finally made it with a nice (covered) 69; but I hadn't fully unloaded before Jules was up, dressed, collecting her things and obviously wishing me off. I was out the back kitchen door within 20 mins.

Jules' English was limited and I'm so sorry to say it, but she gave the impression of being repulsed. The list of services she has agreed to, surprisingly includes cim and more.

A shapely, young, inexperienced, nervous, lovely lass. I wish her well but I don't think MKE is her natural environment. Sorry.
