The Story:

I think this is the first day of this lady coming back to work, i went downstairs on the basement 5 min before my time, and the maid ask me to wait in the room, Mixy come 7 min late, with some nice bra and stocking red-black, she give me a kiss and i hand over the money, she ask me where i am from and she said she is lucky to meet today a Greec Good, she is very pleasant in talking, very positive attitude full of smiles and she takes the lead in an erotic manner, for example she took my hand and choose one of the mirrors to stand front and myself behind her, so i started by touch, remove slowly her bra, and it reveal a pair of amazing tits ! big brown nipples also to die for, so i hold both of them in my hand and kiss her on the neck.

Then she suggested we move into the bed, i lie down and she come on top for a bit of play and i suck those nipples, she give me some dfk more with the lips not deep, then she started sucking me for a while and i ask for 69, she position on top and i play with her pussy and asshole, i dive with my face in, then she ask me to fuck, she put the condom and come on top, it was so sexy the dancing up and down, we change to missionary, and there i lift her legs in the air, she like it, also we started deep kissing this time, i ask for doggy, i stand on the edge of the bed and for a good few min she encourage me to pound hard, and she look at the mirror, i come like that. Overall she is very nice if you like the erotic style, she makes you feel like she is your wife...she suggested i should take her with another one together, so i said that is a good idea, and i would arrange for her and Apple together, that would be fun !mtwo Oriental pussy. So tasty
