### The Premises:

The usual Victoria basement flat. Tidy and very fresh despite the hot weather.

### The Lady:

Effy is a beautiful British skinny chick with a soft voice and a very flexible body.

### The Story:

Most of the girls I liked in HoD are gone now, so I decided to experiment with others.

I had visited Effy before, but there wasn't any spark there. However, being very horny and looking for a new coochie I could eat I decided to re-visit her. And I'm vert happy I did!

Effy entered the room with a lovely smile and very little clothes, which I removed immediately. After sorting the paperwork, I went down to her wet pussy and started sucking those beautiful pink lips of hers, and she got all of my cock inside her mouth to give me OWO, which was pure bliss.

In my previous visit to Effy, I had some troubles getting comfortable because she is so skinny. However, this time that didn't stop me. I pull my wet cock from her mouth, she put a condom and then she jumped on me. I slowly aligned my hard cock with her tight little pussy and I felt how it was slowly going inside her. For a moment I thought I put it inside her asshole because it was so tight (sadly she doesn't do anal). After that I fucked her doggy style and missionary. ALI while I was fighting not to come too soon. Finally she rode me, and that did it for me. I cam super hard while Effy took my cock as deep in her as she could.

The thing with fucking skinny chicks, as Elle has showed me, is that you can manouver much better with their bodies. Effy was super nice and chill during the whole experience, making the right noises and saying the right things during our encounter.

Next time I will try a duo with Elle, these two skinny sluts for sure will make a cock explode.
