The Story:

Had called in to see Millie but sadly she had another appointment. Met Helen and was struck by her natural beauty and incredible body.

The meeting didn't quite go as I had hoped and giving her the benefit of the doubt have put it down to being near the end of the day.

I got the sense Helen just didn't want to be there. No kissing or interaction and at one point I genuinely thought she had fallen asleep.

Still a neutral as I could have explored that body all day long. A rare off day for me at this establishment.
