The Premises:

A short walk from the station in Green Park. Her flat is in a very discreet place. Inside it's small but cosy, clean and tidy. I felt comfortable and secure.

The Lady:

Dandelina is a lovely woman. I say woman because she is most certainly not a girl. I would say she is more likely in her 30s than her late twenties. She is the girl in her pictures, but these are either old pictures, or they have been fixed up a bit. She is beautiful, really curvy and little heavier set than her pictures would suggest, but she is all natural. Very big boobs, and a very womanly body.

The Story:

She was dressed in a black dress, with her boobs pushing out the top. Very welcoming and very chatty. After I had showered and dealt with the paperwork we began kissing quite quickly. She likes to make noises throughout, which I find quite encouraging. She had me unzip her dress and she rubbed herself against me in her underwear. Black bra and panties. It wasn't long before she was completely naked, rubbing her tits over my cock. She has beautiful, very large natural boobs that look incredible.

She laid me down on the bed and began to suck my cock. It was very nice and wet. She has a good technique, with lots of eye contact. I would have quite happily laid there until I exploded, but Dandelina had other plans. She wanted to fuck and seemed very keen. She climbed on top of me and we fucked in cowgirl for a while, with her massive tits in my face and beating me around the side of the head. Felt amazing and I knew I was going to blow my load in this position. I didn't even want to change. We slowed it down, and this was lovely. Then she wanted to speed things up as she quite clearly came. With her tits in my face and my hands I went for it and we both fell in a heap, exhausted.

She's a great woman, we chatted at length about many things afterwards. I would recommend for those who enjoy real women, with a real woman's body and a personality.
