### The Story:

Arrived and it was hot day so asked for a drink of water which proved difficult with another girl working. Don't know why that was. Led into a very dark but spacious room. I washed my dick in the sink but then Mia spotted something and took me back for another wash - err Ok. Then she checked her phone which she did a lot during the meet. She tried to put a condom on but I wasn't hard enough without any play. I told her I needed sucking. She then sucked me owo with me standing and a leg up on the bed. I bent over her and held her hair back and got a lovely view of sucking and going up and down on my cock. She was good at it and I encouraged her as I took it all in. After a bit I was fully hard. Some more phone checking then I put her on her back. Her pussy was surprisingly supple for such a young lady but that was ok as I was going to last longer. I fucked her with her legs up and also lying on top of her hold her ass and driving deep. She wasn't aroused and checked the condom several times and saying had I cum? I hadn't and kept fucking leaning back and then lying on top holding her ass. I pulled out a few times and fed my cock back in but wasn't encouraged to be adventurous. I haven't even thought of eating her pussy. I did then tell her I was going to cum and had a mighty ejaculation, quivering and shuddering still driving in and out which went for a bit and she let me do this which was nice of her. I thought she would throw me off immediately.

So not all bad but there are girls who are much more engaged with far better ambiance. I had lovely punt with a Dominican last year and was hoping for the same.
