The Premises:

Nice tidy place. On road entrance. There is a back entrance as well. This is where the car park is opposite a garage. Waiting room is large. Soft drinks are available. Rooms are also large with working shower.

The Lady:

Byrony is a white English lady. She has a nice body with a great rack. Quite attractive and very friendly. Looks about the same age as given on the website which is 26. There are no photos of her on the website.

The Story:

Byrony picked me up from the waiting room and took me to one of the large bedrooms where she was working from.

After having a quick shower she offered to massage me but I turned it down because I always prefer giving the massage as it really turns me on. She has a nice body with curves in all the right places. I would describe her body as slim but curvy with huge tits. She lay on her front when I first started with the massage. After starting with her neck and shoulders I worked myself down to her ample butt. I quickly pulled her butt cheeks apart revealing the wonderful star which I feasted on. Rimming is one of my favourite past times and she tasted awesome. I flipped her over then continued with the oral on her pussy. She was dripping within seconds. It was then her turn to take my now very erect manhood into her inviting mouth. Her BJ skills are out of this world with a deep throat that takes you to the very point of eruption and then switching over for a good lick of the balls. Fantastic. I was in heaven. She then offered to lick my ass for an extra tenner which I duly accepted. Her rimming skills are also brilliant as she goes deep in with her tongue. No holding back there. I then got her in 69 for some more mutual oral flipping between ass and pussy. I then sucked on her tits before she finally sucked me off to the point of explosion. I did not feel like having sex this time as her BJ skills were superb and I was enjoying it too much.

We then cleaned up and we both had a shower. I said my goodbyes and told her I would defo see her again. All in all a great experience with a friendly, beautiful lady. Spot on.
