The Premises:

Small 2 bedroom flat, in Hammersmith, clean, modern shower facilities, clean towels, small kitchen, and the rest of it. 2 minutes walk from Barron station.

The Lady:

Chantelle(Chantelle White - porn alias) also Twitter details:

https://mobile.twitter.com/chantelle_white/status/139461370306099200 the pictures on the website are not really representative of any of the girls IMO at all. Chantelle looks like her Twitter account, not blonde. I loved her, she was my favourite there. She kept winking at me while the other dude was banging her in missionary and enjoying her like she was having a wild time. Easy 8 for me.

Camilla: Spanish lady, beautiful skin, m with gorgeous freckles, big boobs, pale skin, no nail varnish or fake tan and I would say an overall 7. With the other two girls there I wasn't interested in fucking her tbh, but she gives great bbbj, and kisses passionately with tongue. Appears on late 30s.

Sienna: English lass from Sheffield with a lovely Strong Sheffield accent, the girl was the hottest of them three, again, her pictures tell you absolutely nothing about her other than her big ass, but she was gorgeous. The face was delicious, the ass, the pussy, I couldn't get enough of her. 25 or so in age, very cute. Easy 8.

The Story:

Few months back I came across this place and completely dismissed it as too good to be true, but recently came to my attention again through the punternet forum from few hobbyists who seemed to frequent place and speak praises of it so I got intrigued and decided to investigate. I pm few people and I got their recommendation for it, described the vibe, the girls and I was sold, especially for the listed price tag. Only an idiot misses an opportunity like this, the sex I had is something I never experienced in my life. Never as intense and pleasurable as it was, like a kid in a sweet shop.

3 parties a day 2 hours each, 6 days a week? Speak of heaven. Highly recommended!
One of the girls I saw today was actually a Porn star and I watched her videos on FakeTaxi driver when I got home. Fucking senseless 2 hours.

I confirmed in the morning, and we were meant to be 4 to 3 ratio but two lads dropped out at the end so it was 2 on 3 :) Kind glad it happened that way for my visit. Put my valuables away in a safe deposit including my phone(Flight mode). Took a shower and as I was entering, Chantelle winks at me and says I am waiting for you!

I was shaking when I first got in! Excited for the party. The other bloke(Black dude with massive dick) was rather quite throughout and fairly reserved, apparently been here before and already knows Chantelle from previous encounters. He was surprised that I wasn't aware of her Porn background. Point is, we didn't do much MMF together other than fucking different girls in the same room for part of the party time, I would blame it on my overall confidence and noobiness to sex parties and to his rather reserved nature.

I had my eyes on Chantelle and she wanted me first too, so we take a room and he takes the other two girls for himself. Bbbj and DT was wild for both of us. He seemed to have more experience with this stuff from what I can see. I am more traditional fucker, where he seemed to go for more wanking on her face while sucking his balls with eye contact. Too much to talk about and I am already pissed typing this.

Chantelle was really hot, I love the tanned skin look, her personality is subtle and really interesting. I tried building some rapport with her, as I can tell she is very gentle, and emotional girl. We kissed, bbbj, kissed again, goes on top fucks me, switch to missionary and I started sucking her toes. I was genuinely orgasming when sucking her feet because it's the best feet I have ever sucked. Seriously! Absolutely beautiful. I can't describe it, but she can see how happy I was sucking them and was grinning at my enjoyment, tickling at my touches. Bang her in missionary, holding hands, really warm and beautiful hands as well, and occasionally kissing her, removed the condom and started sucking me again but it's like you see in the good porn movies, these girls know how to fuck and how to suck, Jesus, like Disney world for Adults. The Spanish girl comes in and brings her tits in my face and I start sucking the nipples out(flat) not as perky. While Chantelle is sucking me I place my feet on to her and I already mentioned how obsessed I was with her feet, warm, and very beautiful, held her tight, the Spanish girl is dfk me, the BBBj gets more intense and I climax hard on my own body sighing out of enjoyment.

Take a shower pop the rose open and have few glasses and chats in the living area with all of the attendees, and the (maid) or (manager) who runs the party. She is likeable, open about her background and transparent from what I can see.

Me and Chantelle build some kind of a rapport so we're cuddly, after her shower, sits on my lap and me tickling her and making small talk. She is a lovely lass, there is something dark and also soft about her, difficult to put in words, but there is something to her. We exchanged many naughty winks at the party and I may have developed some feelings for her :)

After a small break and few glasses, I take Sienna to the bed of sinners. Typically a girl her size isn't my thing, but this girl turned my head. Massive ass curvy figure, 10/10 face so much details I could go into why her face was amazing to look at. The nail varnish, the whole look she had was enticing for sin and mischief. More of the same I did with Chantelle, then the Spanish girl comes in the middle of missionary with her, such a sweet Pussy, didn't want to leave that warm hole ever! After much consideration, I ask them to make out and they obliged in the middle of me banging the girl, the more they make out the harder I bang, and the more enjoyable it was for me. They made out like lesbians, it was crazy, never seen it happen, and it was so real. Wonderful to watch.

They bring more rose, I take the glass and pour part of it on Siennas other pierced nipple and started sucking it, Camilla takes the glass dunks my cock in it then sucks me vigorously and we are all having a laugh. Sienna starts fk with me occasionally dfk, the Spanish girl doing her thing ... then double bj for sometime one on the ball and the other on the shaft, before the doggie. Sienna has a wonderful ass for doggie, when you see her you will understand my point. I start rimming her and I loved it then licking her Pusey from behind, again such a wonderful sight. Then more fucking. More and more fucking.

The second pop came at the end when the two favourite girls: Chantelle and Sienna are done with

my crap of cumming once in an hour and work together to make me cum. Chantelle sucks me again with my feet on her feet like before, and sienna comes from behind to kiss me. And it ended in a wild climax that felt like nothing I have ever experienced before.

Summary: best VFM ever. Highly recommended
