The Premises:

Usual place, next to car park.

The Lady:

Angel - tall, slim size 6, long dark hair, pretty, size A, nice bum that you want to slap. Said she was 24

Jules - smaller, also slim and size 6, pretty, probably size B boobs - but I bet they're still growing because she told me she is only 18 years old

The Story:

I've been after a genuinely bisexual threesome for a while. I saw Gia and Eva at Annabella's after my first vaccine but I didn't get too involved there because of covid risk. This time was different now that I am fully vaccinated.

The girls asked me what I want and I told them that I wanted to fuck them doggy style whilst they lick their friend's pussy. They smiled and said that's no problem.

We started with a three-way kiss and then Jules went down on Angel's pussy. I joined her and the two of us took turns licking her pussy, kissing each other with Angel's pussy juice on our lips and licking either side of her clit together.

The 2 girls then began sucking my cock together, Angel sucking on the head and Jules running her open mouth up and down my shaft. Jules then sat on my face so that I could taste her young pussy and feel her young boobs with my hands whilst Angel kept sucking. Jules is only 18 and she told me that she's only been in the business for 6 months so I guess not too many men have licked her young pussy yet. She moaned and squirmed delightfully on my tongue, moving away from time to time as it became too sensitive at which point I could see Angel sucking my cock before Jules dropped her pussy back onto my face for more. She definitely came on my face.

Angel then put the condom on and lay on her back. Jules got on her knees and took my cock from behind. I pushed her head down onto Angel's pussy and gently smacked her bum and I drilled her

doggy style as she munched on Angel's pussy.

We then switched and I fucked Angel doggy style before asking Jules to ride me cowgirl with Angel sat on my face but facing Jules so that my two bisexual girls could kiss each other. Boy, Jules' young twat is tight. I thought I would get in at one point she pushed down and then started bouncing up and down cowgirl style. I could hear the sound of kisses as I munched away on Angel's pussy. Both girls were now moaning and this time it was Angel's clit that got too sensitive as she too came on my tongue.

I wanted to make Jules' come again which I'm not sure I managed because while she was sat on my face Angel wanked me to an explosive orgasm and the three of us collapsed into each other's arms with me in the middle feeling their gorgeous, sexy, slim bums and exchanging lots of three-way kisses.

Jules and Angel are friends from Romania. They told me that this was their first ever threesome. Really nice girls who do whatever you want with a smile on their faces. As they get more experience they will be pure filth.

Thanks girls, I'm getting a hard on just writing this x
