The Lady:

Jess walked into the room totally naked - breathtaking, sexy, slim, nice boobs, beautiful smile, long black hair. Tasteful jewel in her naval, lovely shaven pussy, just gorgeous.

The Story:

I brought along stockings and suspenders plus cock-ring and wand vibrator for Jess but she looked so fucking sexy that I just wanted to feel her beautiful soft skin close to mine so I quickly got naked next to her on the bed.

Lots of kissing followed plus me feeling her peachy bum and lovely shaven pussy before he switched to 69. Jess really put some effort into sucking me hard. Of course I was concentrating on her clit and I had her beautiful pussy clamped into my mouth but it felt like she was slobbering on my cock as she sucked whilst making lovely moaning noises. The soft skin on her legs and bum was just irresistible. She also twerked from time to time on my tongue, which was very sexy.

On went the condom and she sat on my cock, cowgirl style and started to ride me. I held on to her gorgeous, sexy bum to pull her deeper as she bounced up and down. When I asked her to "look at me" or "kiss me" she was extremely responsive, smiling and just looking stunning.

We then switched to missionary, again with lots of kissing. Finally, she finished me off expertly by wanking me with superb eye contact until a big load splurged onto my chest.

Fucking sexy girl. One of the best looking and her body is just perfection.

See you soon gorgeous x
