The Premises:

Downstairs flat on Residential property that has been converted. Easy to find probably about a 10 minute walk from Hounslow Central Station, not far from Bath Road. The place itself seemed to be a 2 bedroom flat which is shared. Bathroom facilities are clean with hot shower and shower gels available.

Parking is available on the road although might need to walk.

The Lady:

'Amazing Myaa' is accurately reflected on the AW site, the pictures are pretty recent and are a true reflection of the looks and figure, although the red hair has been replaced by a light shade of pink. Myaa is very fair skinned with a number of tattoos (all shown on her pictures). Her age is shown as 28 years old, which could be right but is possibly early 30's. All in all she has a very sexy figure and a cute smile when she does move away from that serious look.

She is also very easy to talk to, clearly intelligent and speaks good English.

One thing to note is she does want to know your nationality prior to booking, From my understanding she doesn't see black men.

The Story:

Booking was all done really easily through text messaging, postcode was sent well in advance and the time was confirmed. Prior to the booking another text was sent to confirm that I was still coming at the agreed time. On arrival Myaa gave an door number which was not the actual address she was at (possibly to have a look at who has arrived) and opened the door of the actual property before you need to ring waiting behind the door.

The place is clean, with laminate flooring throughout, but you are asked to take your shoes off at the front before heading into the bedroom. Myaa confirmed how long I wished to stay for and also whether I was looking for any extras (all listed on site, owo £20, kissing £20, watersport/hardsport £30, filming £40, photos £30, Facial £30, cum on body £10) and I went with the kissing which she confirmed was an additional £20.

Myaa was in just a black dressing gown and removed it to reveal her sexy body.. she does seem to have outfits mentioned but this was not discussed.. would have been a nice touch. Anyway we began with with a nice massage from her which after a long drive was welcomed, moving on to her rubbing her body over me which had the desired result of getting me hard. Myaa then moved on to OW which was performed expertly, this was followed by cowgirl, missionary and doggy.. After working up a sweat, the favour of massage was returned before more cowgirl and OW in a 69..

Myaa was really going at it before she gave an oily HJ with me exploding. We had a good little chat afterwards and she really come across as easy to talk to and intelligent. I had enough time for a quick shower before making my way home.

All in all she is someone that if you are attracted to from the pics, you will not be disappointed. There does seem to be a lot of extra's but at least it is all open and not a surprise when you arrive or in the middle of action. She is good VFM and I would definitely not hesitate to see her again. Highly recommended
