The Premises:

A small massage room within a nail bar. The location is about 0.7 miles walk from Leyton tube station. Unfortunately it is a busy street and there were people dining outside nextdoor. Lora met me inside and took me to the room.

The Lady:

Lora is a Romanian girl, maybe mid thirties and possibly a dress size 14. Her English was excellent and she was really good to talk to.

The Story:

I set out to this location mostly for the massage because I'm having shoulder problems. I was fairly certain that there would be more on offer though.

The massage room was very small and dimly lit. There was a large clock on the wall. I knew from the website a 30 minute massage cost £35 and I got undressed and laid on the massage table. I opted for a medium massage with oil. The massage was really good and I think Lora had been trained. There was relaxing music playing and I felt very relaxed. There weren't many obvious attempts to arouse me, but when I was asked to turn over, Lora asked me whether I wanted hand relief. I said yes and asked whether topless was on offer. We agreed a total price of £60. Lora took her top off to reveal magnificent DD at least breasts. They were lovely and firm and I enjoyed sucking on her nipples. The relief was excellent too and I had a satisfying climax.
