Shes about 5'5, very slim, long blonde hair, very pretty face with beautiful eyes and lovely kissable lips, inviting smile.

Nice proportioned breasts and lovely legs. She is drop dead gorgeous, possibly early 30's.

### The Story:

I arrived at the end of a long day and was I in the need to realease some pent up sexual frustration. After having a nice long shower I waited in the lounge for her to arrive. When she did, wow, the first thing I noticed was how beautiful she is.

She invited me into the room and we started chatting about each of our days, I was convinced that this was going to be the highlight.

I laid on my front for a lovely proper massage she is very good at this, she is very chatty but not in an intrusive way and there were no awkward silences, it just felt right and flowed.

She turned me over for a nice slow sexy blow job, I was really enjoying this and she definately knows how to turn a man on. I decided that I had to return the favour and offer some RO. I kissed her body all the way down from her beautiful lips, her neck, breasts, her side, thighs and slowly moved to her gorgeous smooth vagina. I worked my way between her gap to tease out that pierced clitoris, to kiss, lick, suck and carress her until she started to moan. I can still see her rocking her head back as I go to work and play with her nipples, and push my tongue in to really taste her juices. After her body twitching oragasm, she was ready for me to penetrate her in mish position with some sensual kissing.

When she was used to my size, we changed over for a bit of doggy and then moved into a position where laid flat on her stomach and I remained in her. It was a great position to really feel her arse pushing into me and get nice and deep inside her, we both loved it and climaxed together.

I went downstairs and got changed, one thing I noticed as I was leaving, because I was wearing a mask, I could still smell her vagina juices that were still stuck to my face within the mask, a nice little bonus to keep.

Experiences like this are the reason I still visit these places, and Georgia is one of those girls who makes an ordinary day extra special. She is one of the sexiest, and skillful women you will ever meet, treat her well, I can highly recommend her.
