The Lady:

Facially, I found her beautiful and the pics on the website are a good representation of her body. All natural too which is great.

The Story:

I got her stripped down to just heels. We did some LFK which got much deeper as the session continued.

She did good owo and got in some decent gags on me. Bit of balls licking as well which went down well. I got a lovely taste of her in 69 and she sounded into it and in no rush.

Finished the session with a pounding in with me on top. She slapped my arse several times. More DFK and I came hard in the bag.

Great punt! Probably worth a 45 minute booking next time.
