Identical to her photos, petite with an infectious smile and a lot of services on offer, cjm, Cif, rimming(both ways) and purely a sex animal that wants to be fucked, wants to be licked, wants to make you sweat and more less have such a good time that you will hate sex.

If she was one of the early girls I have seen in my early punting history, it would have set for a very high expectation.

The Story:

I have heard good reports about Edina from multiple places, I tried booking her multiple times, overbooked, so had to prebook a day in advance(even then it was difficult to get a time). When we first met, she was very smily and happy.

After a shower, she initiated a dfk, I am 5"10 not that tall, bland she was on her toes kissing, very light, so took her skirt off pulled her up to me with her legs clapped on to mine, my fingers running through her vagina lips still kissing me passionately, too passionately I was rather surprised. I wanted to fuck her standing like that but the condemn is not in yet, so I fingered her instead place her on the bed for some BBBJ with her ass next to my face, beautiful.

I didn't really last long, one thing you will notice contrary to every escort I have been with is that Edora loves sex a lot. At one point I had to ask if she liked me? Because she was very keen to fuck, get licked, lick me, I felt like she must like me then? She said I had a beautiful smile as well so I asked? She looked at me confused for a bit as if it didn't matter if I was good looking, she just loves sex in what ever gown it came in!

I lasted exactly 60 seconds of penetration in missionary then came in the bag! I was annoyed at myself like wtf! She cleaned me up chatted for a bit and initiated round two herself a lot of sucking, doggy, Sphinx doggy, both were sweating so much, delicious women. I couldn't extend, the girl is

overbooked can't even extend and the sex was one of the best I have ever had they you will always feel like wanting to extend, she is that good. Nothing is much trouble for her, full flexibility with positions, fingering pussy and ass, full on kissing. I highly recommend her, she won't be here for longer, thank me later ;)
