The Premises:

Elizabeth works out of her own smallish but very nice flat in a purpose built apartment block well off the main road, so no problem with people being around. There's a reception area, but Elizabeth sends an explanation of what to do, which means there's absolutely no problem at all getting in. Beautifully appointed flat, with everything just perfect for an indulgent, two-hour threesome with two gorgeous and incredibly sexy-sensual women – Elizabeth and her bisexual friend Carla. A hot afternoon, but the open balcony sliding door (more on that later!) let in a welcome, cool breeze that was much appreciated as things hotted up in the bedroom! Some 'club' sounds playing via the giant TV suspended from the ceiling (and via which Elizabeth can play you porn if you want it – I didn't, this time, at least, as these two sexpots were quite enough for my already overloaded sensory input, thank you! But maybe next time – sounds VERY naughty!).

The Lady:

Elizabeth and Carla are two absolutely gorgeous, sex-on-legs Euro babes who make a perfect brunette-blonde combo. Elizabeth, with her long, luscious, liquorice-black hair and Carla with her lovely, pale golden locks. Elizabeth, ivory-skinned, Carla lightly tanned. Elizabeth also has the eyes – truly amazing and expressive, and the most delightful, man-melting smile that lights up the room. Mind you, Carla's eyes and smile are pretty damn good as well.

The girls greeted me, as requested, naked except for high heels! OMG, can you imagine?! My jaw hit the floor so hard I thought I'd chipped a tooth! Fabulous, toned bodies, shapely, lithe legs and that confident poise that's SO sexy. Carla also has what I think is a great tattoo on her thigh. These ladies are absolute sweeties. Elizabeth is delightful, easy-going, laid-back, 'cool' and FUN. Her cheeky, mischievous smile always brightens my day. Carla is super-cool and relaxed, and has a 'mysterious' air about her, which is intriguing and very sexy. Both incredibly friendly and welcoming. Just two of the nicest human beings you could hope to meet.

The Story:

Got an aching back and had a weird allergic reaction to my Covid jabs, so needed a pick-me-up ('something that makes you feel better, often a drink or a tonic'), and my threesome session with Elizabeth and Carla was just the ticket – felt fully revived and invigorated afterwards.

After a relaxed, getting-to-know-you chat, we started off standing up with these two gorgeous, naked-except-for-heels women rubbing their fabulous bodies against me whilst taking turns to

caress me, from the front and from behind, kiss me (DFK), and each other (they are truly bisexual), and treat me to delicious OWO and ball licking, singly and together. This led on to THE most sexy-sensual massage duo session on both girls, with me and the other girl teasing and tantalising each girl, leading naturally on to one of the most amazing DATY interlude I have ever been involved in. The girls and I took it in turns to kiss and lick the other girl's beautiful pussy – two of the best I've ever had the pleasure to pleasure! Their orgasms were intense.

Then we had a fantastic bit of edging-to-pre-cum (actually quite an impressive load!), with me on my back, Elizabeth wanking away furiously whilst directing Carla to work on my body, changing positions, kissing and caressing and, especially, teasing my nipples.

Finished with one of the best wank-offs I've ever had. Still hard after the expertly edged-out pre-cum, Elizabeth was now ensconced between my spread legs, determinedly wanking me towards climax. I had Carla sit across my chest, facing away from me, so I couldn't see what Elizabeth was up to – I find that such a turn-on. I was gasping and exclaiming as Elizabeth mercilessly wanked me and my orgasm was nearing, with Carla looking back at me over her shoulder with a wonderfully mischievous grin, really enjoying seeing me writhing and generally becoming increasingly more 'agitated' as Elizabeth worked on my cock. Then 'dismounting' so she could get nearer to Elizabeth's pumping fists as it became apparent from my increasingly desperate gasps that I was about to cum.

And cum, I did! One of the really great, expletive-ridden ones. In fact, Carla felt the need to clamp her hand over my mouth, as I uncontrollably blurted out swear words as I came hard, so as not to be heard through the above-mentioned open balcony door, with Elizabeth continuing to wank my now-sensitive cock, flashing me a deliciously wicked grin as she enjoyed my anguish, but in a good way, lol! She didn't seem at all concerned about the open door and whoever might be listening. These two ladies gave me a brilliant time. So, instead of your coffee-and-whiskey pick-me-up, I'd recommend Elizabeth and Carla any day! ;)) xx
