The Lady:

Looks: there are loads of photos including face pictures. You know what you are getting. I fancy her and she's always nicely turned out in lingerie and heels. She speaks good English and responds to my suggestions during the session.

The Story:

She leaves the service list blank, but I've got deep French kissing and owo from her every time. Just be charming :) No cim.

After the first few sessions, I extended from 30 to 45 minutes and I'm glad that I did. There was some fumbling to get her kit off but eventually she was stripped down to stockings and heels. I got her to lie down beside me and I snogged her whilst fingering her gently. That felt great!

I placed her hand on my dick and as she rubbed me, I quickly got hard. Then I moved her to suck me. It has always been owo since the first time when I asked her if we could. She got the head in her mouth and brushed her tongue roughly backwards and forwards on the helmet. It was a great sensation. No half measures. That tongue kept swirling round.

Then, without me asking, she changed to a series of proper gags. I shuddered as she got my shaft deep in her mouth. I could hear her choke and spit the drool out.

She switched back and forth between shallow tight tongue on the head and these deep gags. I moved her into 69 and her pussy tasted great. I could hear moaning and choking every now and again. Sometimes she would stay still with most of my dick in her mouth and just tickle with her tongue.

This went on for 20 minutes or so. What a brilliant blow job!

Finally she rubbered me and I pushed in. She was tight and I shagged her in two or three positions. It got quite noisy as I pounded until I came.

Conclusion: worth revisiting if you get on well with her on day one. She appreciates the repeat business and she has given me some of the best owo I have had this year so far.
