### The Premises:

Discreet, clean, spacious ground floor flat in Central Milton Keynes.

### The Lady:

Absolutely stunning - tall and slim with perfect natural curves and the most amazing ginger hair. Helen looks to be in her early to mid-twenties, and her English is very sophisticated.

### The Story:

My jaw dropped when this gorgeous girl walked into the room in her black minidress, fishnet stockings and high heels. I asked her if she enjoyed tie & tease, and she replied it is one of her specialties.

She had some great props with her for a mild domination session. After some affectionate mutual caressing, she tied my hands with some rope, and the magic began. Helen was really in her element when she was on top of me, slowly and sensually teasing me with her fingers, lips, perfect breasts and some toys. There were also several wonderful episodes of OWO.

All of my body was shaking in anticipation of her next move within minutes... Her attitude is gentle yet very erotic and passionate. By the time she began paying some serious attention to my cock, I felt like I was ready to explode.

She made sure I was okay and nothing was too much throughout the session, which is always important when any BDSM play is involved. Helen clearly has years of experience with this kind of play and knows exactly what she's doing. Being slowly teased by her while seeing her giggling and really enjoying herself felt like heaven.

She asked if I wanted her to ride me just when I felt I wouldn't be able to take the excitement anymore. Who could possibly say no to that question!?

She knew I was extremely aroused, and she was riding me very slowly at first, so that I didn't cum straight away. She then untied my hands, so that I could touch her body all over, and we

passionately kissed as I was finally granted a mind-blowing orgasm.

1000% recommended for both GFE and domination experience.
