The Premises:

Basement flat at the quiet end of the road in Victoria. About a 10 minute walk from Victoria station, depending on your age and pace.

The Lady:

Not to be confused with the other Romanian Angel, the House of Divine legend who I reviewed on here in March 2018 (see review 125992), this Angel is a slim, petite dark haired and dark eyed 24 year old beauty with a lovely friendly smile and attitude. She has gorgeous small breasts and a shaved pussy. Speaks very good English.

The Story:

I arrived 5 minutes early as usual so that I can have a shower and when I came out, there was Angel chatting to the equally lovely maid, who told me a few minutes earlier how nice Angel is. I went into the bedroom and got out the money and to my embarrassment when I gave the money to Angel, I had forgotten about the price increase and only gave her £70! This was soon amended and can I say now that I fully support the price increase as the girls deserve every penny for what they do and the unique experience they offer each guy.

Onto the bed and after a few small kisses Angel headed straight down to between my legs and it wasn't long before she had my cock in her mouth for some really nice OWO. She then asked if we would like to have sex but I couldn't resist asking for a 69 and she tasted lovely. She got on all fours expecting doggy but I really wanted to go on top and have some slow sex with her and see her gorgeous smiling face. She has a really nice tight pussy and after a few minutes of missionary sex she then went on top of me and bounced away on my cock. A really pleasurable experience. As with all things fun, time was ticking away fast so I went back on top and did my best to finish. I pulled out and Angel began wanking me. She is very good at this and I could feel myself getting closer. I then put my cock inside Angel's pussy for a few more minutes. This was a bit faster than the sex we had before. I then stood up and within a few minutes I came on her just below her breasts. Had a nice chat while getting dressed and it was good to hear that she plans to work there for a long time. I would definitely see her again and would recommend her, definitely.

On the way out I saw her friend Jules waiting in the rest area and she was stunning. Definitely one for me to see in the next month or so.
