The Lady:

In her 30's, 5 foot 1, long brown hair, lovely toned figure, averaged sized firm boobs, fully shaven down below.

The Story:

Joanna answered the door and led me to a large ground floor room which was clean with a double bed by the window. Once we'd sorted out the money I gave her a back massage which she seemed to enjoy. After a few minutes she got up and we started kissing on the lips and then my hands moved onto her ample boobs. She asked me to lie down and after complementing me on the size of cock began sucking my balls and then moved onto my cock to give me owo. After a while she asked me what position I wanted - I chose doggy. An explosive climax soon followed. After cleaning up she led me to the shower on the first floor. After showering I went back downstairs where we chatted for a few minutes until the time was up.
