The Story:

I used to punt regularly so have lots of experience but havent done so in earnest for a good ten year or so, preferring parties and swing clubs.

I had been considering this place as a re introduction to the scene and the girls look good on the website and plenty of verifications of the establishment so decided to give it a go ahead of the reopening othe clubs I prefer to get me into the swing of things.

Didnt book, preferring to walk in and check whoever was free in the flesh before choosing. The only available lady was Luiza who I noticed didnt include owo on her list of services, so I made my excuses and said I would return. I was asked her I would like to see so named Kat and was surprised by the reply...she can see you in ten minutes.

Deal done I waited until Kat arrived. She entered the room in white underwear but quickly proceeded to remove it whilst we engaged in some light petting. On to the bed and more kissing and fondling and I found myself quickly aroused. Owo was then offered and accepted and after a while we moved to 69. After another 5 mins Kat asked if I wanted sex and quickly put a condom on. She then rode me cowgirl for ten minutes or so before I shot my load and filled the condom. A couple of wet wipes to clear up and a brief chat and I was on my way a happy punter.

Pleasant young lady who i would visit again.

7/10.
