### The Premises:

Clean flat in central milton keynes.

### The Lady:

Petite red haired Romanian lady, very attractive, lovely smile.

### The Story:

This was a first class punt. Bunny is a really pleasant engaging lady with a delicious figure and provides a first class service.

She entered the room, and immediately started kissing and undressing herself and me. We collapsed onto the bed and got rid of the remains clothes before Bunny moved down to my clock and started to give a first class uncovered blow job. This became 69 for ten minutes or so before we moved to sex in cowgirl and missionary when I shot load. I would say Bunny offers a first class service and comes throughly recommended, it's not often I ever intend returning to the same lady more than once but I definitely intend to see Bunny again.

Not quite 10 but a very close 9/10. Excellent value for 30 mins of fun.
