The Lady:

Jules is as described, a very petite young lady with dark hair, pics are accurate and I would say her advertised age is also correct or very close to it.

She looks tired however, and doesnt give off positive vibes.

The Story:

Jules was not keen on any fondling initially. She did warm up a little but her kissing, advertised as DFK, is non existent and her bj is brief and perfunctory. Sex was only allowed in certain positions and I found I couldnt reach a happy ending. She is distant and really doesnt want to be there I dont think but is obviously drawn by the opportunities. We removed the condom and a hand job got me to where I wanted to be. Jules is a very pretty lady so if that's your thing you wont be disappointed but her enthusiasm is left wanting. I suppose what drew me to make a booking with her will also draw lots of others, so she is likely to be very busy at the moment.

It would be wrong to give her a negative review, I've had far worse, but I wont be returning.

4/10.
