The Premises:

Familiar flat (the first floor one) in a terrace 10 mins walk from Victoria station. Clean, comfortable and well-organised.

The Lady:

Jules is very young, only 18 as confirmed by her. Very slim body, small cute breasts, smooth pale skin. The photos on the website give a fair interpretation of her figure, and the intimate parts of her body also!

The Story:

Jules and her friend Angel opened the door on my arrival, and Jules took me the back bedroom where the action was to take place.

Being so young (part of the attraction I confess!), and relatively inexperienced, there was inevitably a tentative start. Once we had relaxed in each others company it was a real pleasure. Happy with light kissing, OWO willingly given, 69 enjoyed, finishing with sex in my preferred position of her on top.

I think she will become very popular.
