The Story:

There was something about Tia's pics that caught my attention, but matching up availability was a challenge. So I took the opportunity when I could get to MK.

Usual efficient booking process, called earlier on the day for a late evening appointment. Plenty of parking next to venue, but I chose to park on the main road and walk down an alley to gain access to the car park.

Greeted by the maid who was very cute and after taking my temp showed me to the middle room on the 1st floor before asking me to take a shower.

Tia appeared in the room just I was finishing drying off and I was not disappointed. For those expecting a petite size 8, they might be disappointed as Tia is more a size 12. As she wasted no time in stripping off to reveal a great set of boobs along with a fine ass. There was something about her made me think that I was in for a good time.

Starting on my front, Tia provided a really good massage whilst we chatted away about this and that, gradually starting the cc swipes and reach unders. She asked if the massage was ok and I encouraged her to go harder, which she duly did before oiling herself up and climbing aboard for a decent B2B massage.

After rubbing her boobs over my back, Tia invited me to turn over. She started on my legs, moving on to my cock as she made it very clear the I was welcome to touch her fine form all over. I had her tits in my face as she teased my buttohole before she got on to the bench so I got a great view of her ass in the mirror. Finished by covering her tits with my love custard whilst feeling her ass again.

After a shower we had a good chat about the MK and Northampton punting scenes before I went on my way.

I had a great time and would certainly return to see Tia again. The only way it could be improved would be with a prostate massage!! :hi: :D
