The Premises:

Upstairs flat back room! Very hot in summer but a fan mitigates it! Bed quite small so if you are tall you may have to bend your legs.

The Lady:

She was slim and quite short! Facially she was not as depicted in her pictures unlike April or Maya. She appears a little older than 18 more like 23 or 24.

The Story:

Didn't really hit it off with her from the start! Very limited one worded answers! Almost as if she wanted me to go as soon as I arrived. Advertises DFK which most girls who work there and advertise this do enthusiastically but instead she was purse lipped.. I only stayed 15 minutes as she just gave up on trying to get me hard. I can't see her lasting there as she doesn't seem to enjoy the work. I won't return for her and might reconsider HOD if this becomes a recurring experience.
