The Premises:

I was visiting Leeds and needed an outlet. Found Angels during a web search. Nice building in a quiet industrial area not far from main roads. You had to pay a £10 entrance fee. There were 3 ladies present, 2 black and an eastern european. I didnt really find any of them attractive but needed some relief so chose the eastern european.

The Lady:

I dont think she is on the website, only the really attractive ones appear to be there! She is about 5' 7" average build, from Bulgaria. I didnt catch her name when I chose her but she wore a name tag with Luis or Luisa on it.

The Story:

In addition to the £10 entrance fee I paid £90 for a 30 min session in the VIP room! When we got to the room she went to the loo for a few mins. When she cam out I asked for the Jacuzzi to be switched on as it was empty. I got undressed and sat on the edge of the bed, she told me to lie down and relax. She quickly undressed, grabbed a condom and tried to make me hard to put it on. Once on she gave a short blow and then started pumping me with her hand. I tried to reach between her legs but she said 'no'. She started pumping more rigourously and soon I came. That was it! The jacuzzi was filled now so I cleaned up and got in, expecting her to follow but she started getting dressed. I just had a wash in the jacuzzi and got dressed!

When leaving I complained to the reception guy, who said the fee I paid was for a full service! Well I paid a total of £100 for a poor hand job!

I think this was the worst experience, I've ever had in many years of punting! Stay away from this place. - Moral of the story, if you dont really fancy any of the girls walk out!
