The Premises:

Small one bedroom flat about 5 mins walk from Queensway tube station. The flat and bathroom was clean and had a small shower cubicle (no bath). The shower cubicle did have decent water pressure and plenty of hot water.

The Lady:

Lola is the same lady in the photos on the website (although the photos I suspect are probably a couple of years old). However, Lola is a good looking, Thai lady with a nice, curvy, sexy body, with great natural soft boobs and a peachy ass.

The Story:

Lola greeted me wearing a nice matching black bra and g-string set. I handed over the paper work and was offered a shower, which I accepted. After I had a shower, Lola was waiting for me in the bedroom and greeted me with lots of DFK and gentle fondling of my cock and balls to get me hard. Lola then proceed to give me OWO (she has good technique) and then gave me some of the best deep rimming I have received in a long time. After several minutes of this I offered to give her oral. Lola has a nice, sweet pussy, which was a joy to lick and a nice peachy ass, which Lola enjoyed being rimmed. We had sex in various positions until we both came. We then took a brief breather and then Lola gave me a nice, firm massage. After the massage we started on round two, of more oral, rimming, and anal until we both came again.

All in all Lola is a nice, friendly lady, speaks reasonable good English and provides a great GFE/PSE experience. She is highly recommended and I look forward to seeing her again soon.

P.S. Lola was looking forward to seeing England beat Italy in the 2020 Euros final. She went out and bought an England Flag and cape for the occasion so she could cheer England on in her local pub with her friends. :)
