The Story:

Zoe is a fairly recent addition to the MK roster. She stands out from the usual young, EE girls that I have a chronic weakness for, by being a home grown girl who with proper womanly curves and a very energetic way about her, as my cock was soon to discover!

Had a little get to know you chat at first and then moved in for some light kissing, which then got elevated to LFK and then DFK. Very nice and I knew I had made the right decision to see Zoe for an hour.

After all clothing was finally removed, Zoe then proceeded to treat my cock to some really eye-popping OWO. It was deep, sloppy and on another level compared to a lot of other girls in MK.

On came the rubber and Zoe mounted me cowgirl and rode me like a Grand National winner! She really has bags of energy.

Second round started again with DFK and then I gave her a good hard pounding in doggy. I told Zoe that I wished to end the punt by cumming in her mouth and about 10 minutes later, I was looking down at Zoe being a complete champ and having her mouth filled with what I am sure was a big load. Have to say my cock was pretty dry when it finally emerged from Zoe's mouth, showing what a great job she had done.

Hope that Zoe stays around in MK for a long time. Even for a guy like me, who adores EE girls like Jess, Bunny, Maya and others like them in MK, Zoe is a great fuck and provided some of the best OWO I've experienced in a long time.
