### The Story:

Was just looking back at my reviews and cannot believe that I have not submitted one yet for Jess. I think I have seen her around 8 or 9 times since 2017. I suppose she has loads of field reports now, but I still need to add my one to the pile, as Jess has given me many hours of pleasure.

Even though I am familiar with Jess, sitting in the room, waiting for her is still enough to get the heartbeat going. Then hearing the sound of high heels outside the door getting louder and louder followed by the quick knock on the door is one of those great little experiences in life that really get the adrenaline flowing!

Jess was dressed in red today and her perfect figure still causes me to catch my breath, even after so many visits. As we started kissing, I had to ponder to myself how great MK is as a place to live, allowing a middle aged man like me to be kissing and fucking a young Romanian lady with the most stunning body.

After our introductory kissing session was over, I lay down on the bed, Jess got sideways to me and gave me some lovely OWO. I admired the view, whilst gently stroking her long dark hair.

Decided to bang in doggy and have to say that the view of this is just as good! Looking at her lovely, perfect cheeks and my cock sliding in and out of her young pussy, is like heaven on earth.

I have now resolved to next see Jess in a double appointment with her petite friend Bunny, whom I am also a big fan of! Stay tuned!
