The Premises:

The usual establishment in Fenny Stratford with ample parking outside. The interior is tastefully upholstered and sets the right mood.

The Lady:

Lexi was exactly how I imagined her from the photos, with curves for days and ample breasts contained in sexy black bra that perfectly complemented her gorgeous tanned complexion. Finally, I can confirm that her nipples are indeed big and responsive and I would have got around to worshipping them sooner if she didn't look so stunning in her bra.

The Story:

For much of the encounter I was lying on my back with Lexi on top of me, and in this position we alternated between passionate DFK and the best OWO I've ever experienced. While this was all going on, Lexi ran her long nails sensually up and down my body. All in all, a feast for the senses that I will never forget.

Did I mention how good the OWO was? It was so wet, in fact, that at one point Lexi's mouth was dripping with saliva and my precum. I was so turned on by this that I asked her to let it all drip into my mouth. Lexi more than obliged, and let me suck every last drop from her tongue. She seemed to be as turned on by this as I was and our snogging that followed was as passionate as ever.

We ended with me returning the favour, this time with Lexi on her back. Unfortunately, there wasn't enough time to bring her to the climax she deserved. Half an hour wasn't enough. I have unfinished business.
