Both girls described exactly as stated on their profiles. Both Eastern European but speak very good English.

Bunny - described as a pocket-rocket and who am I to argue! Petite, dyed red-hair, tanned, very attractive, gorgeous figure.

Jess - Taller, very slim (not an ounce of fat!), very attractive, long dark hair, gorgeous figure.

### The Story:

I'd been studying the Annabellas website for a while trying to decide whether to go for a 30 minute appointment with just one girl or really push the boat out and go for a full hour with 2 girls. Having not punted for a while due to the pesky COVID (grrrrr!!), I decided "fuck it... I need a threesome".

Do I have any regrets? Not in the slightest.

One of the other girls showed me into the room. Not sure who it and wish I'd asked cos she looked sexy as hell and would love to see her at a later date. Sorted out the paperwork, left it on the bedside table and waited patiently for what I hoped would be an amazing encounter. There's something about that sound of heels walking approaching the bedroom door that is a turn-on in itself. But two pairs of heels takes it to a whole new level.

Both girls entered the room looking fresh and bubbly, and wasted no time in drawing in close to me, taking it in turns to kiss me on the lips and neck while rubbing my crotch through my jeans. Total heaven. After a few minutes of this they helped me disrobe and encouraged me to lie down between them on the bed. Moving down, they gave me an amazing uncovered double-BJ, sometimes both licking and kissing the head, sometimes one licking my balls. It's a mental image I won't forget in a hurry.

As Bunny continued OWO, I invited Jess to park herself on my face where I gave her RO. She seemed to enjoy this and after a few minutes, she swapped places with Bunny. Both girls tasted amazing and fresh, were very responsive, and frankly I could have spent all day just giving them oral pleasure.

On with the condom and Jess climbed on top for cowgirl, grinding and bouncing while Bunny lay down next to me kissing me. Next it was Bunny's turn and she really went for it. Didn't want it to be all over too soon so suggested change of positions. Deep and hard doggy fuck with Bunny (her arse is amazing) and caught a glimpse of the action in the mirror, while Jess lay next to us playing with herself. I slowed down again as I wanted another round with Jess. So another condom swap, took Jess from behind while Bunny masturbated. After a few tense minutes of fucking, Bunny joined me and gave me a deep kiss which ultimately drove me the edge and made me climax inside Jess.

Collapsed back on the bed between the girls and we concluded the hour with some light conversation.

Would I go back? Wild horses couldn't stop me. Only regret is maybe not taking more cash and inviting the other girl in on the action.
