The Story:

I had finished work early and while I was in MK I thought I try and have some fun before I go home, I rang around the usual places but the girls were all busy so no success there. I rang MKE and managed to book Gia after looking at her reviews and profile and thought you know what take a risk and see what happens. Gents it was a risk worth paying off because I had the best experience ever. Gia walked into the room and with the paperwork sorted out we went straight to it - started with OWO which for me is a deal breaker but Gia did this superbly and then we finished with her being on top.

Afterwards we chatted for the rest of the time which was amazing because we had the deepest of conversation I have ever had with someone like this, it didn't feel at all like GIA was clock watching or anything honestly the best experience I have had at this place so far. I'm still in shock as to why nobody has left any reviews about her because she is a gem in the rough. I left with some good book recommendation and a memory I won't be forgetting anytime soon.
