Details of Service Provider:

The Premises:

Two storey apartment type property , I arrived in taxi and was quiet street . Very clean place no signs of previous clients . Nice tidy facilities
As for parking I'm unsure but the next street which is very close seem lots of spaces

The Lady:

She seems 5ft 8 approx , white Eastern European lady 40 years old , I'd say her profiles are a little slimmer , but no means is this lady overweight still very attractive body and carry's a lot of sex appeal

The Story:

This is my first ever PunterNet report but I feel I need to ! I'm honestcrook off adult work and been punting for probably 20 years starting at the old world famous babes in Swinton Manchester, then sandys superstars before escort sites like aw, if you feel you want to search me you will see I've never booked a london girl before off aw and have lots of feedback, I'm from north west of England but was down for the England football games and I have no reason to say the following about the this girl except to put things right for a girl who deserves a little more respect and I have no relationship at all with her ever in my life

I was searching and booked this lady but had a nosy at punternet and nearly cancelled because of the previous negative report and comments which is fairly damming of the lady but without the A to Z of the meeting as that's not me il tell you something her communication was spot on , yes typical Eastern European accent that some guys can read wrongly but I entered the place and she was so welcoming, no rush had nice drink before and after even offered massage to add to my time . She was very sincere and any request I had the was no hesitation in trying to please me . She was always very thoughtful and one very horny sexy experienced girl lots of action and to say I was very happy is nothing but the truth !

Whilst I respect other users on here and understand that we don't always click with every girl to say some things like she is 50 years old is just false and I stand by this yes maybe 5 years older than her 35 but value for money , appearance and experience she was bang on and not for one moment did I feel dissappointed, at the end of the meeting we took a drink and I said I nearly cancelled because of the last negative comments etc and she was deeply saddened by them , she seems to have worked very hard and please believe me this was a fantastic punt and no rush at all

,completely the opposite

I am very experienced and this girl will not disappoint you if you want a 40 yr old who is sexy and very experienced service who is very open Minded you can't go wrong I said I was going to post a comment in here and she will know it's me but not once did she ask me to do this ,but for me to be treated very very well and stumble on the conversation and see how troubled she was I felt I wanted to because negativity can destroy a ladies career and whilst some are deserving of harsh feedback we have all been there this girl is not one of them

Have confidence in the girl because I'm sure she will satisfy most guys

Thnaks for reading everyone and hope it helps a little
