### The Premises:

hard to find, several calls in the street whilst loitering.

### The Lady:

Very tall and photos accurate - originally found her on AW though doesn't appear to be there anymore.

### The Story:

So, I have a few kinks and this was ticking a box. I like tall women and have been with tall women before but a 6'8" woman was one not to be missed!

After the initial problems finding the venue I received a friendly welcome. Didn't seem as tall as stated until we went through the door in the basement flat and she had to duck!

I have a bit of a thing for nylons but the hold-ups she had barely went above the knee and frankly looked a bit silly.... putting that aside, we stood toe to toe and hugged/felt each other a bit. I could feel myself getting hard; she put her arm around my shoulder, bent down and looked me in the eye as she grabbed my knob and stroked hard and fast.... never known anything like it, I shot all over her leg and the floor in next to no time - it totally took me by surprise and is hands down one of the top sexual experiences I've ever had!

We moved to the bed and she offered a massage. It was pretty good, massages aren't really my thing but this was enjoyable. After a while I rolled over with a semi and she quickly converted that into a full on stiffy and slipped a jacket on. I humped away from underneath with her huge frame across me, pinning me to the bed (though in all honesty I wasn't going to struggle to get away). Eventually the sensation was overwhelming and I shot my load. Cleaned up (cold shower due to some issue with the heating) and made my exit, probably a bit before the full hour.

Overall... negatives - there were some language issues, I love a woman wearing stockings or tights and they simply didn't fit, 6'8" women aren't for everyone, comms weren't brilliant and shower was cold. Positives - quite attractive face for such a giant woman, full made up lips were irresistible, that hand-job was one of the most memorable encounters I've had with a WG, checked off a goal of getting it on with a true amazon!
