The Premises:

Well known flat near shopping centre

The Lady:

Very attractive with perfect enhanced breasts

The Story:

I have seen Millie several times over the years and she always delivers. Undressed each other then loads and loads of deep kissing. Spent most of the time with my head between her legs. Sex in several positions then lovely cim finish. Millie is such great company, she always puts you at ease. I'll remember to take extra cash next time as that pert little arse is irresistible.
