The Premises:

Owing to the Corona virus the following changes are in place at the Old Coach House:

You must wear a face mask when you enter but you can take it off once inside, a bit like going into a restaurant.

The waiting room is closed, so arrive at the time of your appointment and hope that she is not running late.

Once inside your temperature will be checked and you must use the hand sanitizer.

Having been shown to the room you must have a shower.

The Lady:

It is 3 years since I last saw Jayda and I had forgotten how good looking she is. Her photos are genuine, well almost, she is not quite as slim as her photos suggest.

Her age isn't genuine. she has been 33 for at least 3 years. but don't let that put you off. Her photos are better indicators than her age of the sort of experience you will have in a session with Jayda. She simply exudes elegant mature sexuality.

The Story:

The session included all the nice, naughty nooky that you expect at Ego Massage. Lots of tit and bum to fondle and squeeze and lots of arousing reach unders.

What marked it out from all the other sessions I've had at Ego, were the body to body experiences. When she climbed on my back, she rubbed her shaven pussy against my buttocks. It was a bit like having your bum lightly sandpapered. After I had turned over, she performed a very adventurous face to face body to body. Finally she lay on her front and I mounted her for a happy ending against her bum.

It definitely won't be another 3 years until I see Jayda again.
