The Premises:

I was already in the room and stripped off having just finished a 45minute session with Chelsea.

The Lady:

I placed the money on the bedside table again and waited for Bunny.

The sound of the approaching footsteps is a turn on for me, especially with a girl I haven't met before, as was the case with Bunny.

Bunny was taller than I expected - that was until she took her heels off, so cute.

Apart from the striking red hair, she had an amazing all-over golden tan.

Very shapely thighs caught my eye and I just knew I was gonna be in for a good time.

Bunny's face is blurred out in all the profile and twitter pics but I was not disappointed, Bunny is a very attractive girl.

The Story:

I got off the bed to welcome Bunny and we were straight into DFK whilst hands wandered.

Onto the bed again and the session followed very much the same routine as the one I had just had with Chelsea. I am nothing if not predictable.

Bunny lay alongside me and lots of DFK followed whilst Bunny teased my cock and I fingered her.

Bunny got wet but not as much as Chelsea had in the previous session.

Cowgirl and OWO followed along with lots more DFK and plenty of chat.

I was beginning to regret not booking Bunny for the session that was to follow with Jess so I could experience the awesome twosome, but alas Bunny was booked up.

The session came to an end, again with me not coming (intentionally) but by now more than ready for the final session with Jess.
