### The Premises:

This was session 3 of 3, having just concluded two back-to-back 45minute sessions with Chelsea and Bunny.

### The Lady:

I had seen Jess once before, pre-pandemic, so I was looking forward to seeing her again. Jess arrived, and she looked even more stunning than I remembered from our first meeting. I commented that I thought she had lost a little weight which Jess confirmed she had. Not an ounce of fat on her, to my mind Jess is just perfect and has the most gorgeous smile. The sort of girl that would not be out of place at a highbrow event, and any gent lucky enough to bag Jess is the luckiest guy in the world.

### The Story:

DFK from the outset that continued throughout the encounter. Jess was happy for me to engage in fingering which I did whilst she was wanking me off and playing with my balls.

OWO was amazing. On with the cover, and when Jess got on top I was in heaven.

Bouncing up and down was great whilst I fondled her tits and ran my hands down those thighs, but then Jess moved it up a gear and started doing what I can only describe as a ring type motion on my cock.

Imagine a ring on its side - that's the pattern that Jess made and that really got me going - it was one of the best sexual experiences I've ever had and that's saying something!

Time flew by and I asked Jess to finish me off with a HJ which she happily obliged. When I asked her to concentrate on the tip of my cock, she applied lube and it didn't take long for me to cum but Jess continued through that sensitive phase just after you've cum whilst I writhed about with Jess making comments about me making some strange noises :)

Unfortunately Jess had another client straight afterwards, otherwise I would have extended another hour, she really is that good.

All in all a fantastic 2.5 hrs at Annabellas seeing three lovely girls (Chelsea, Bunny and Jess). Its a shame I cannot do this more often but my finances don't allow, so its time to start saving up for

another 3-4 girl visit to MK.
