The Premises:

A ground floor apartment which is clean, tidy, comfortable and has acres of low cost parking just outside.

The Lady:

Foxy is 5ft 5in with a 32E-20-22 figure that begs to be cuddled and is a UK size 8.

The Story:

We have met many times, many, many times and so the greeting was very friendly.

After some 'glad to see you' kissing and cuddling we undressed and proceeded to to more cuddling on the bed.

The only further detail is that it is quite possible to bring Foxy to a climax, not just once... but you have to be ready for legs and other features to go into a spasm.

And yes, she produced the same result in me.
