The Premises:

Upstairs flat about ten minutes walk from Victoria station. Had a shower first before going down the stairs to the room in the flat. Really nice place.

The Lady:

Riley is a well known English porn star but as she hasn't used her porn star name I don't know whether to use it on here or not. I'm sure those who have seen her pictures on the House of Divine gallery will recognise her, anyway! I am a big fan of her videos and it was an absolute pleasure to meet her. I'm a good judge of people and I can tell that Riley is a genuinely nice person. She has an infectious laugh and makes you feel like you have known her for ages when you meet her. And she's gorgeous, too! Lovely slim figure with smallish natural breasts and a shaved pussy.

The Story:

Once the showers and the money were sorted out, Riley got between my legs and gave me some gorgeous OWO. I mentioned that I read on her services that she does edging and for the next few minutes she planted loads of kisses on my cock while licking the shaft up and down. This was simply gorgeous. This soon turned into a 69 and she tasted lovely. On with the condom and I put my cock into her tight pussy. She said some very nice things about my cock and we had some really nice slow sex in the missionary position. Sensing that I was wilting a bit in the heat she offered to go on top, facing away from me at first and then turning round to bounce up and down on my cock. There were plenty of laughs and nice conversation while all this was going on. A really great experience. I then went on top again with time running out and when I looked at my watch I had just over five minutes to cum! Luckily I managed it and came all over her lovely breasts.

A lovelier girl you couldn't dream of meeting. I hope to see her again in the next month or so, work schedule permitting. But I will see her again as soon as I can, believe me!
