### The Premises:

Nice room, near Victoria station

### The Lady:

Beautiful eyes, very pretty, small pert boobs, size 8 I would say

Jess - slim, sexy, nice boobs, small peachy bum (which I adore), lovely size 6

### The Story:

I had intended just to book April but as I entered the lounge I saw Jess lying down with a towel around her and I asked if she'd like to join us.

The girls took off my shirt and we began three way kissing. Soon, they were giving me a double blowjob, alternating between one beauty sucking my cock and the other putting a whole ball inside her mouth and really pulling it the opposite way to the other girl sucking. All the time with smiles and great eye contact.

The girls then each sat on my face as the other continued the blowjob until the lovely Jess sat on my cock cowgirl style and bounced up and down with a filthy look on her gorgeous face.

We finished with both girls having one ball in their mouths whilst I wanked to an earthquake of a climax.

Fun and sexy. In fact both are so stunning that I forgot to even ask them to interact (April is listed as 2 girl interactive and I know that Jess kisses and fondles boobs because I've had threesomes and even one foursome with her before).

I'll be checking out April's pussy licking skills today at MKE as I'm going for a lesbian FFFM foursome today with April, Kat and Angel.
