Beautiful face, lovely smile size 8, not sure if it's the girl i the photo but very similar

The Story:

Very enthusiastic girl with beautiful, heavy, full boobs dressed in stockings, ass a bit bigger than I normally prefer (not huge but I prefer small and peachy).

I needed to lick pussy so I got her to spend at least 10 minutes sat on my face. I could feel the rasp oh regrowing hairs and I'm sure she could feel my stubble as I lapped away and looked up to see her licking her boobs. She complimented my pussy licking skills then returned the favour and sucked away plus moved to 69.

I pulled out my Magic Wand and she was only too happy to use that until the battery died, then she asked if I had ever had a prostate massage, which I hadn't so I gave it a try. She covered a vibrator and gently inserted it whilst sucking and licking my cock.

Sadly, I couldn't experience the mythical prostate orgasm but as I'd paid an extra £50 for a facial it didn't matter. I asked Erika to get on her knees on the floor as I stood over her. She asked me not to cum in her hair, which I respected, and I told her to talk dirty to me which she did.

She looked lovely in her stockings with her lovely, full boobs hanging down. I had to rub those from time to time as she urged me to cum on her face. "Come on my face, I want your come, make this pretty face messy, give it to me, come on you naughty boy."

All good eh? Well, when I came she moved her face to the side and I only got one spurt on her cheek with the rest shooting onto her armpit. Slightly disappointing but still sexy.

Nice girl though.
