### The Lady:

Mid 20's, Brazilian, curvy figure with long shapely legs, pretty with long jet black hair, olive skin with a few discreet tattoos and nose ring, around 5ft 7-ish (though webpage says 5ft4?), welcoming and friendly with cheeky grin.

### The Story:

On arrival my room wasn't ready so had to wait in kitchen while maid ushered in other punters. Never realised logistics she has to deal with to avoid punters crossing on stairs or entrance. It was hot day so was relieved to see 2 industrial size fans on floor when shown to room.

As soon as Ria came in, we started off with lovely warm hugs and long snog which we soon moved onto the bed. Noticed her cheeky grin and girly laugh as we got more into it. Though when she started doing OWO it was way way too enthusiastic for me and asked her to be slower and gentler but couldn't get her to understand. Then, she picked up her phone and asked me to speak into it - wondered what was going on until I saw she had Google Translate to convert into Portuguese. Seemed to work as she nodded knowingly - from then on her oral technique improved dramatically. In fact it was exceptionally good with lots of long slow deep sucking and up/down shaft licking. And combined it with some tantalising ball and inner thigh stroking with her nails which I really love as I'm very sensitive there. Interspersed with more kissing as she played with my shaft. Very very nice.

Then break while I caught my breath. While she lay there I started to nuzzle, fondle & suck her boobs which from sighs she clearly likes then explored all way down stroking her long shapely legs. On way back, started to gently rub her pussy and then slowly finger her while mixing up with some fleeting kisses again and sucking her nipples. Once again, her sighs of pleasure were great to hear.

After getting me hard again with quick HJ, on top for cowgirl. Really rides you and doesn't hold back. And get to play/suck her boobs at same time so double whammy. Then all change for doggy which is equally as good as you pump away but with my advancing years cant keep up as long as

I'd like. Had another fab OWO and ball stroking from her before getting me to explode with HJ. Had time for quick shower before seeing me off with last kiss.

Ria certainly does her best to make sure you have as pleasurable time as possible and made for very enjoyable time. Her English is bit short in places however not an issue as it turned out to be quite fun saying what I wanted into app and managed to learn a few choice words in Portuguese for next time I meet latino lady.
