The Premises:

Buzzed in then the flat door was opened by a totally naked girl – f*ck never in my many years of visiting HOD have I ever experienced this before – I was rock hard before I even got into the room!!!

I was soon joined by the delightfully slender and sexy Angel, who immediately remembered me from my last visit – nice to be remembered!

The Lady:

Angel was the same as I remembered from my last visit, absolutely gorgeous! Petite but shapely, lovely 32A boobs that really suit her figure – not skinny by any means, just very shapely with a very nice firm bum too!

The Story:

This booking was later in the day than my usual, so I confirmed before I left home – all handled very efficiently by HOD maid.

Started off with OWO, switched into 69, then face sitting, back to more OWO and then the inevitable happened, i.e. Angel evened the score after I made her cum during face sitting. I was lazy this time but have booked a longer session for next time, especially since she (and Jules) are going on holiday for a few weeks soon.

Thinking about Angel and Jules together next time!!!!!!

Will I return? Doesn't take much working out!!
