The Lady:

Jamie is stunning. She's mid to late 20's with long brown hair, average height, enhanced boobs and has a lovely bronze tan.

The Story:

I was shown upstairs to the small room and took a shower. A couple of minutes later Jamie came in. Although I hadn't seen her for 4 years she remembered me straight away giving me a big hug. I got on the couch face down and we chatted while she massaged my legs, back and shoulders with occasional reach-unders. Then she got on top and with those boobs gave me an amazing body to body massage.

After a few minutes she asked me to turn over (by now my cock was standing to attention) and began massaging my legs slowly working her way upwards. She jumped on top again and with those fabulous boobs began working her magic on my cock. Then she got up and stood behind me giving me the most fabulous view and allowed me to fondle and suck her nipples. After a few minutes she got more oil and gradually brought me off to the inevitable conclusion.

I took another shower and we chatted some more. We had a farewell hug before heading downstairs and she showed me out.
