The Lady:

Very attractive with long blonde hair, 5ft 7, 49yrs old (but has figure of woman decades younger), slim tanned & well toned figure with long sexy legs and pert natural 34C boobs. Stunning looking woman

The Story:

After entering her flat, she was wearing a stylish black minidress & stilettos as requested. Looked fantastic and for a lady in her late 40's has a jaw dropping figure and the most incredibly sexy legs I've ever seen. You'd practically have to be gay not to get the horn on meeting her. Classic MILF style with an inviting smile and posh upmarket accent which is real turn on.

Showed me to front room where we sat on sofa and had initial chat - have seen her once before but that was over 10yrs ago so remarked how she'd still managed to keep herself in such great shape.

We had a quick kiss & hug on sofa, before moving to bedroom to continue with more lovely & now more passionate kissing while I got to grips with feeling her fabulous body and caressing her amazing legs draped across me. After undressing, she planted some more nice warm kisses on me while playing with my todger (which had been stiffening up from moment I sat down on sofa !)

Then some delicate slow OWO and remarkably tender stroking and ball/shaft licking which I love as I am quite sensitive there. Very pleasant and just how I like it. We tried cowgirl and then doggy. Both felt really good but best was cowgirl as she really rides you which she seems to enjoy from the many appreciative sighs she made. She also combines it with some ball tickling & chest stroking, fleeting kisses and me sucking on her lovely pert boobs and getting my hands all over her fab body & legs.

Had another nice hug/kiss while standing up in front of full length mirror, can see her magnificent figure next to you so you know you're not dreaming - then onto prob most ecstatic and mind-blowing

OWO I've ever experienced. Set herself so her legs were right next to upper part of my body so I could see/feel every inch of them. Then put on some lotion and proceeded to massage , stroke, tickle, caress all around my balls, thighs, base and at same time lick and suck me in most sensual and seductive way possible. The way she 'pleasured' me.... christ, I was literally struggling to catch my breath, felt like I was floating on air with ecstasy of it. Pure heaven. Finished off with fab HJ and her delicate ball/shaft stroking till I burst. Had time for quick shower before departing.

Great thing about seeing Charlize is that you benefit from years of expertly honed bedroom skills of mature lady like her but combined with her magnificent body - you get best of both worlds.

I had an amazing time and was still reeling with effects of my experience the following day. She's a stunning looking woman with a very captivating and alluring aura about her. Everything flows so naturally which only the very best escorts achieve and really seems to enjoy herself which I always like to see. Quite how I left it so long to return is beyond me.
