The Premises:

Parlour with an open door on the road, walk in up some stairs and into a nice enough reception area with a reception desk at the front. They have 8 bedrooms in total. The one I went in was clean and had a double bed with a large mirror on the wall at the head. The room also had a shower and sink and a couple of other bits of furniture.

The Lady:

Cute Portuguese girl with lot's of long thick brown hair.

The Story:

Lara was very friendly and chatty, we started with some kissing and cuddling and before long I was on my back having my balls licked and cock sucked. The extra £10 for owo was very worth it.

I spent some time licking her clit which she really got into, then after a bit more of her sucking and licking it was on with the rubber and she got on all fours and I took her from behind. She felt great and as I thrust into her she moved forward and ended up lying prone as I pumped a few days worth of cum into her.

Off with the rubber and then she gave me a really thorough sports massage covering every inch of me. After a while she suggested going for round 2. Amazingly her technique got me ready in no time, this time she lay back and I took her in missionary, moving round to spoons which she really got into, so much so she asked if she could use her toy to make her come I said yes, she quickly got up and with her legs shaking quickly rooted in her bag for a small vibrator and got straight back on the bed and slid back onto my cock they way we were with me on my side and her on her back. As we fucked she rubbed her clit and I could feel the vibrations through her tight pussy we kept this up for ages her cheeks flushed and she came hard and her pussy was soaking. I kept fucking her and then took her from behind again, this time with her knees together as I placed my hand on her shoulder to fuck her hard whilst we looked at each other through the mirror until I came again. The next 15 minutes was spent with another massage this time with oil, followed by her washing my back in the shower.

A very enthusiastic service by a girl who is great company.

I got an extra treat on the way out as Jennifer was talking to someone in the corridor in just a thong.
I should have asked if these girls do a duo!
