The Premises:

Short walk from Victoria station. Had a nice shower when I arrived.

The Lady:

Jules is a gorgeous dark haired Romanian 18 year old. She has some of the best breasts that I have ever had the pleasure to have had in my hands. Small and pert. And her shaved pussy is beautiful.

The Story:

I arrived 5 minutes early so that I could shower and freshen up. I was greeted at the door by Angel, who I saw a few weeks ago (see Review 130338). After my shower I went to the lower room in the flat and waited for Jules. She arrived dead on time and asked how I was and remarked that I smelled nice. As I lie on the bed, Jules removed her outfit to reveal that truly beautiful figure and asked me what I would like. I replied OWO, 69 and sex and she said that's fine. If it's young and petite you're after, then Jules is the one for you. I said to myself before I arrived that I wouldn't ask her if she really was 18 but in the end I had to and she said that she was. She played with my cock briefly before wiping it and giving me some really nice OWO. This soon turned into a 69 and it was a joy to lick and kiss that pussy. On with the condom and I went on top for some slow missionary sex. Then she went on top and crouched on my cock bouncing up and down. This position is quite tiring and after a short spell of that she reverted to riding me in the conventional way. At one point she was riding me quite hard and fast and I sensed she needed a rest so I offered to go back on top again. After a few minutes more sex I asked if she would sit on my face while I tried to cum and she obliged. Eventually I did cum all over those wonderful breasts of hers. I said that a threesome with Angel would be amazing and hopefully one day that will happen.

To conclude, a lovely half an hour with a really cute, beautiful girl. If you are reading this, Jules, I hope you (and Angel) have a lovely holiday back in Romania.
