The Story:

As good as it gets.

Angel opened the door and I was greeted warmly with a lovely smile and the sight of her in white underwear. We quickly established a rapport and I went for a quick shower. Once in the room with me stripped and sitting on the bed, I asked Angel to arch her back, stick her bottom out and peel of her underwear. She then gave me some delightful spreads and I was very soon rock hard. I then leant in to gently kiss her delicious pussy and bum hole. What followed built up and just got better and better; face sitting, 69, owo, cowgirl, reverse cowgirl, doggy, kissing throughout. The more we relaxed into each other the more intimate it became. HOD have struck gold here and in this punter's opinion Angel is up there with with the best of them. I enjoyed my 45 minutes fully and Angel is intelligent, very easy to get on with and really good company with a very healthy sexual appetite. An absolutely delightful young woman.
